

ORDERING LIVE MATERIALS

The following kits require live materials:

| GRADE | KIT | SHIPMENT |
|-------|----------------------------|--------------------------------------|
| K | Animals 2x2 | Spring |
| 1 | Organisms | Spring |
| 2 | Life Cycle of Butterflies | Spring |
| 4 | Animal Studies | Fall |
| 5 | Environments | Fall |
| 8 | Populations and Ecosystems | 1 st Semester (September) |
| 8 | Organisms Macro to Micro | 2 nd Semester (January) |

You must email cbeiter@eriesd.org at the SMC 10 days in advance of your planned lesson to allow for shipment of the live materials. To ensure the best chances of your live materials arriving alive, you must plan for them to arrive on a Wednesday, Thursday, or Friday.

The live materials will be shipped directly to your school on the day you request.

If you need your live materials delivered to SMC when you are done, you must notify SMC to make arrangements for their pick up.
